## Kinston parent expresses concerns during Coffee County BOE meeting

by Linda Hodge, Editor

Coffee County Board of Education members held their annual board meeting Thursday night, Nov. 7, and while no one came forward to speak during the public input portion of the meeting one parent was on the agenda to speak about what she referred to as allocation of teachers and curriculum issues at Kinston School.

Jacquelyn Carter, a Kinston parent, addressed the board and said there are multiple places where there are no teachers available for Kinston students to do things they need to do to better their education. She called it a growth problem but said any time she hears the school system addressing a growth issue it seems to be for New Brockton not Kinston and Zion Chapel.

"Kinston is a small school, but it is not fair it is put aside," Carter said. "New Brockton is not the only people in our county."

Carter added that she totally gets the need for addressing growth issues at New Brockton because of all the students that school is receiving from Enterprise, but she does not want the school system to forget the other schools in the meantime either.

Carter said there is a difference in the things afforded to Kinston Schools as compared to the other schools in the county.

"There is no beginner band at Kinston," Carter said.

She said the band was started back at Kinston only 5-6 years ago, and she has been associated with the band for only two years now, but she sees where the band students at Kinston are not getting all they need at Kinston because of teacher and curriculum issues.

Carter said the marching band at Kinston is small with only 20-something students, but she said that band and those students are awesome. She noted the band had won two "Band of the Week" awards during this marching season, which has now concluded.

"This is an amazing accomplishment," Carter said

to the board. "If you have not watched our band, please do. There are plenty of videos out there for you to see. Please support our band."

Another issue Carter brought before the board was a library issue. She said her fifth grade child has homerun in the library, but is not really allowed library time to read and check out books.

"Why are elementary students not going to the library?" Carter asked.

She did say her fifth grader had said they go sometimes to the library, but that the entire fifth grade goes at the same time, and even then, she sometimes is not afforded the opportunity to check out the book she wants to read.

"My kids love the band and they love to read," Carter said.

**THANKING ALL VETERANS FOR THEIR SERVICE...**The Kinston School Educational Foundation (KSEF) held a Veterans Day program Friday afternoon, Nov. 8, at Kinston School, and paid tribute to all who have and continue to serve their nation in the military. The program allowed Kinston students to hear from Vietnam and World War II speakers as they shared some of their service stories with the students. Also, the students saluted a large gathering of veterans that sat center of the school's gymnasium for the event in their honor. Basin 4 Him, a quartet from Basin Baptist Church, provided musical entertainment for the program. Dr. Sam Self, pastor of Basin Baptist Church and a member of Basin 4 Him, said after the program that he was very impressed with the attentiveness of the Kinston students throughout the entire program. He said the students and school officials should be commended for their salute to America's veterans. Above, Kinston High School students and others are shown standing at attention with hands over their hearts focused on the nation's flag as Adele Self sings the Star Spangled Banner during last Friday's veterans day program.

The Coffee County Board of Education elected board officers for the upcoming year Thursday, Nov. 7, during the board's regular annual meeting.

Once again, Brian McLeod was elected to serve as board president, and Galen McWaters was elected to serve as board vice president. Each was elected with no opposition.

Superintendent Kevin Killingsworth received the board's approval to bid five modular classrooms for

New Brockton Elementary School to meet growth needs at that school. He said the modular classrooms would be acquired on 24-month lease agreements.

Also due to the growth at New Brockton, Killingsworth received the board's approval to bid a new school bus for the system. He said routes had been added at New Brockton due to the growth of there and there is a need for a new bus as a 2008 bus has been running a route to cover the current transportation needs.

By approving the bid for one new bus now, Killingsworth said that would allow for it to arrive around

June for use next school year.

The superintendent also reported during last week's meeting that two 2003 model buses had recently sold on GovDeals.com.

Killingsworth said the system currently has four 2005 buses in its fleet that are only used as spares. He said he would recommend keeping two of the four to utilize as spares and offer two up for sale on GovDeals. Board members approved his recommendations.

The board entered a 15-20 minute executive session during the board meeting. The need for this executive session was described, by

the board's attorney, to be for discussion of possible litigation facing the board. Upon returning from the executive session, McLeod said no action would be taken.

A handful of personnel matters were addressed by the superintendent and board. Employment of Amanda Zorn as a special education teacher at New Brockton Elementary was approved for the remainder of this school year.

The resignation of Betty Winburn as a bus driver for New Brockton was accepted, and the employments of Jeff Amlong and Tony Ivey as bus drivers were approved. Amlong will drive for Zion Chapel School, and Ivey will drive for New Brockton Schools.

The superintendent acknowledged that he was happy to see the "Report Cards" grades for Coffee County Schools. He said all schools in the system scored higher this year than last year, and that is a good sign even though there still remain things to work on overall.

Killingsworth also congratulated several board members on AASB academy achievements. Those recognized with Wendy Massey (Level 3), Brandi Carr (Level 1), Eric Payne (Level 2), and Larry Eddins (received a pin for his plaque since he has already reached the highest level).

The next regular meeting for the Board will be Thursday, Dec. 12, at 5:30 p.m.

## BRAINSTORMS

With Ferrin Cox

"Veterans know better than anyone else the price of freedom, for they've suffered the scars of war. We can offer them no better tribute than to protect what they have won for us." - Ronald Reagan

We are not sure the motivation but this year United States citizens appear to have openly demonstrated their support of the active duty and military veterans more than any time is recent years. Coming forward from the end of WWII, which was the ultimate high in pride and support of military veterans, things spiraled downward from there. Korean War vets got so-so civilian support. The Vietnam era was the ultimate low with returning vets being advised to NOT wear their uniforms upon returning stateside (for their own safety). All that negative public reaction was disturbing to us flag waving citizens. It is gratifying to see so much of the 'proud to be an American' pride openly returning to the streets. Of course, many of us soldiers were trained for the ultimate battle, but grateful to "just be there" and not involved in any shooting. However, there are those thousands who put their life on the line for America and our freedoms. Many of those made the ultimate sacrifice and we can't show too much respect to their memory for what they did in defense of our treasured freedoms.

California . . . regulation upon regulation, plus the cost of living, including housing and the highest state income tax on average folks in the nation . . . are the major causes usually blamed for the alarming exodus of residents from that state in recent years. U-Haul reports that California ranks 49th out of 50 in the percentage of their trailers that are rented by people moving to another state. Once it was a dream place to live but now there are homeless people who have what would be a good job in Alabama but don't make enough income to afford a decent roof over their head. That should be a wake up call to other states that over-regulation, even under the guise of 'protecting the public', is not always in the best interest of the public.

Former New York Mayor Michael Bloomberg is openly talking about getting into the race for president. He is wealthy, has a following that would kick in more money so he may be actually about to enter the race. Then on the flip side he may be just taunting the announced Democratic candidates who are busy destroying their fellow party opponents. Going in their chances of defeating Donald Trump in the General Election were slim and none but by the time the primaries are over they will have eliminated that 'slight' chance with their endless stream of negative comments about their fellow Democrats.

But there is also Hillary Clinton sitting there and undoubtedly itching to get back in the thick of the race, probably confident she could win over Donald Trump this time around. Don't count her out yet.

The long-discussed project to upgrade the facade of buildings around the square with a neat uniform look is underway. The grant money has been matched by the City of Elba, the building owners have signed agreements to join the project and contractors have begun the removal of old awnings, paint, etc. We should soon see things starting to shape up and look more inviting to travelers and even to us residents.

Last Thursday, Nov. 7, while attending the grand opening celebration of the Badcock Home Furniture & More store in Elba, Stiles met Messer, a longtime Badcock customer. Messer said she purchased her first furniture from a Badcock store in 1942 in Lake City, Fla. She continues to support the store today.

## KINSTON

(Continued from Page One)

She further noted that her fifth grade child recently complained of her shoulders hurting at home, and she determined it was from having to carry all of her books all the time because she is not allowed to leave any of her stuff in the library.

"She is 10-years-old," Carter said. "Why is her developmental growth being prevented because of this? Why is student growth being stunted at Kinston? This is not good for any of our students."

Board president Brian McLeod interrupted at this point to remind Carter she was getting beyond the scope of what she outlined as her points to discuss while addressing the board, and he asked her to finish up

with her presentation.

Carter said she had multiple items of information noting why music is needed in school, and she said Kinston students are not getting those things.

"The curriculum is horrible at Kinston," Carter said. "Why is the teacher allocation not redone to accommodate the curriculum? Our students need teachers."

McLeod thanked Carter for her concerns and presenting them to the board, and he asked her to leave a copy of the materials she referenced to allow the board members to look those items over. No further action was taken by the board on the matter during the meeting.

## The Facts About Military Funeral Honors: What to Expect

The rendering of final honors to a departed military member is one of the most profound demonstrations of honor, respect, and gratitude a soldier can bestow upon a fallen comrade. However, there is a process that must be followed in order to take advantage of this benefit. Here is what to expect when military honors are requested.

Once eligibility has been ascertained and military service has been verified, your funeral director can help you with the rest of the process. Federal law states every eligible veteran must receive a military funeral honors ceremony, including the folding and presenting of the U.S. flag and the playing of Taps, should the family request it. These ceremonies must be requested in advance. A veteran's family must request an American Flag as part of the presentation. To do this, complete an Application for U.S. Flag for Burial Purposes form and provide a copy along with the veteran's discharge papers. Additionally, a Presidential Memorial Certificate must be requested if it is wanted by the family. This is an engraved paper certificate signed by the current president and honors the memory of the deceased veteran. A family is able to apply for this at any VA regional office or by U.S. mail.

When you attend the service, a flag will be draped over the coffin, and if there is a chapel service, the flag will be pulled away from the head of the coffin so it can be open for viewing. Whether the service entails a gravesite visit or not, the honors will include a choice of service, military rifle salute, folding of the flag, presentation of the flag, and the playing of Taps.

**THE JOYS OF SMALL TOWN LIVING...** Last Thursday afternoon, Nov. 7, friends Latina "Buffy" White and Pansey Smith were caught enjoying a game of dominoes on the sidewalk by The Elba Clipper office. White owns a business across the street from the Clipper office, and the two set up a table on the sidewalk to enjoy not only the game but also one another's company. There were lots of laughs coming from that dominoes table too!

Covington Region Honor Flight is gearing up for its next flight and has some changes in the works.

The local organization took its first flight in 2009 and has flown numerous World War II, Korea and Vietnam veterans to Washington, D.C., for a day celebrating them. CRHF is the only hub in Alabama.

Starting with the spring 2020 flight, which is tentatively set for April, veterans and guardians will no longer take a bus to Atlanta and board a plane to Washington, D.C.

CRHF officials have secured a direct flight from Montgomery Regional Airport to Reagan National in Arlington, Va.

"We are excited about being able to fly our veterans out of Montgomery," said chairperson Kendra Majors. "In the past, flying from anywhere except Atlanta has really limited our on-the-ground time for our veterans to enjoy seeing the landmarks and monuments, but flying from Atlanta has its own set of challenges and makes for a long day. Flying from Montgomery will give us a smaller airport and give us a shorter day for our veterans."

Previously, participants would be gone 24-26 hours straight, but with the new set-up, it will be much shorter in travel time to and from the airports.

One other change is that CRHF has traditionally taken around 54 participants at a time.

With the new airport, the organization will fly just 25 people. However, instead of

taking one trip once every 12-18 months, the organization will now fly twice a year - once in the spring and once in the fall.

"We are excited to be able to offer the experience more than once a year," Majors said. "We believe that having two options each year will give those who may not have the opportunity to go at a certain time to do so at our additional flight for the year."

The flight is free of charge to veterans of World War II, Korea and Vietnam.

Guardians are welcome to attend and pay their own way, which is \$450 per person.

During the trip, veterans are able to visit the World War II Memorial, Vietnam Wall, Korea Memorial, Lincoln Memorial, Iwo Jima, Air Force Memorial, see the Changing of the Guard at Arlington National Cemetery and see countless other national places of interest from a bus tour.

The honor flight board also consists of Greg White, Sammy Glover, William Blocker, Wyatt Sasser, Emilee Gage and Patty Hughes. "We love being able to say 'thank you' to our veterans for their sacrifices for our freedoms," Majors said. "Our veterans are always greeted with moving standing ovation when they arrive at Reagan National Airport. The Changing of the Guard is also among the most moving parts of the trip. We hope that through our efforts that every World War II, Korea and Vietnam veteran in our county and around the state has the opportunity to

visit the monument for the war or conflict, and that we get to meet them and honor their sacrifices."

Sponsorships are also sought.

"Our local businesses and civic organizations go above and beyond to help make these trips a reality, and we are most grateful for their continued generosity and their support of this amazing trip," Majors said. "From the time we meet the veteran on the day of Honor Flight until the time we depart from our designated meeting spot, we pay for all their

meals, snacks, airfare, bus rental, etc. In reality, it takes about \$450-\$500 per veteran per trip. Since we are the only hub in Alabama, we take veterans from all across the state. Additionally, since the state of Mississippi doesn't have a hub and we also take veterans from their state, as well as the Florida Panhandle. We welcome donations from other areas to continue to make this possible."

Those interested in participating or making a donation may call 334-222-2402 for more information.

**THANK YOU VETERANS...**A Veterans Day program held at Kinston School on Friday, Nov. 8, included World War II veteran Harold Wise as one of the speakers. Above, Gayle Robbins, president of the Kinston School Educational Foundation (KSEF), presents a 'thank you' gift to Wise at the conclusion of the program last Friday. The KSEF sponsored the Veterans Day program.

### Seniors age 60 and older encouraged to join fun at Elba Senior Citizens Center

The Elba Senior Citizens Center encourages all seniors - age 60 and older - to join the center for lots of fun, activities and more.

Along with nutritious meals 5-days-per-week, the director works with seniors to help them apply for several programs they may qualify for, including: Farmers Market Vouchers, HRDC- Energy Assistance, Food Assistance, Medicaid Waiver, Senior Rx Program, Medicare Savings Program, etc. A senior must be an active participant at the Elba Senior center for the director to sign up for programs that they may qualify for to receive assistance.

To become a center participant, attendance is not based on income. This is a social place to come have fun and find or make new friends. If interested in joining the center, stop by or

call 897-3019. The Elba Senior Citizens Center is located at 304 N. Factory Ave., Elba [across from the Elba Police Dept]. Also, seniors age 60 and older that cannot come to the center may qualify for meals being brought to home. Contact Donna Falls, Elba Senior Center director, for more information.

## Pastor's Corner

BY DWIGHT JOHNSON, PASTOR  
ELBA FIRST ASSEMBLY OF GOD

This past August, my wife Wanda and I attended the biennial meeting of our national church. There were services, seminars, college reunions, and much more. In the exhibit area there was information from many companies who offered products and services to local churches.

As we passed by an exhibit from Assemblies of God Publications, I was asked if I was a Lead Pastor. After stating that I am, I was given a three-inch card with the words "A gift from Influence Magazine." Attached to the card was something that looked like a key. It even had a hole at the top, so that it could be attached to a key chain. But, it wasn't a key. It was a 4 GB flash drive that contained major Assemblies of God publications from 1967 to present.

Although I use flash drives, I'm old enough to be amazed at them. How can something so small and insignificant hold so much information? You would never think that so much could be contained in one little "key."

We are the same. We may look, or even be, common and ordinary. Others may look at us and judge that our value and potential is limited. But, God sees great value and potential in us all; so much so that he invested the very life of his son for us. God's word is full of examples of people who were radically transformed by his love and power. As we give ourselves to him, he adds value, and fills us with potential. Serving him truly is the "key" to our destiny.

### Views From The Pressbox

By Ricky Mularz, Sports Editor

*We went with our grandson Lawson shopping over the weekend to get some clothes for this week's cold weather and while he agreed to just about everything we threw in the buggy, he did make sure he saw everything we picked out and gave his opinion on all the new clothes. I guess even at just nine-years-old boys do care about what they wear!*

#### For what it is worth....

\*\*\* *The Elba Tigers struggled last week* in their playoff opener, but managed to sneak out with a 21-8 win thanks to two big plays on offense and an aggressive defense that turned back repeated challenges. The Tigers were out of sync for most of the game on offense and kept stubbing their own toes whenever they started rolling, but turned the ball over only once and found a way to reach the endzone three times. The defense never had a chance to rest, but never backed down and came up with some big plays and big stops that allowed the Tigers to keep the lead, and was without a doubt the difference in the win. Hey, sometimes ugly girls win beauty contests, and Friday night the Tigers won ugly!

\*\*\* *It wasn't too good a week* for the teams in the area as only the Brantley Bulldogs were able to advance in the opening round of the playoffs. Here's a quick look back...

\*\* *Brantley exploded for 40 points* in the first quarter and was never threatened in a big 72-32 romp past Fruitdale. The Bulldogs scored at will throughout the first half in rolling up 59 first half points, and made a statement to all future 1A foes that they are on the hunt for another big blue map.

\*\* *New Brockton failed to score* an offensive touchdown in a disappointing 27-7 road loss to LaFayette. The Gamecocks led early after recovering a fumble in the endzone and did have success moving the ball between the 30's, but could never finish off a drive and put points on the scoreboard, which resulted in a first round exit.

\*\* *Zion Chapel made a return to the playoffs*, but found out what life can be like for #4 seeds as it lost to Reeltown 56-0. The Rebels watched as Reeltown rolled to a 56-0 lead after two quarters, and while they never quit battling, they were simply no match for their talented opponents.

\*\*\* *The first round of the state playoffs* are now in the books and it was an interesting week of action as eight #4 seeds pulled off upsets over #1 seeds, with the biggest upsets being undefeated Pike County falling at home to T.R. Miller in Class 3A, and top-ranked Saraland falling to three-win Park Crossing in Class 6A. All seven defending state champs advanced to the second round and there are now 17 undefeated teams left in the field.

Region companions Florida and Georgiana were both ousted in opening round play, with the Wildcats falling to Millry 48-18 and the Panthers getting shelled by Sweet Water 53-0. Games in Class 2A that caught my eye included G.W. Long winning 31-0 on the road over Cottage Hill, Abbeville being upset at home by J.U. Blacksher 38-30, Daleville losing at Leroy 37-16 and Luverne blasting Fayetteville 54-7. Up in Class 3A, Opp lost on the road to defending state champ Flomaton 58-28 and Geneva was outscored at Mobile Christian 49-36, while in the 4A ranks Dale County got wiped out at UMS-Wright 51-7 and Andalusia claimed a road win over Trinity 24-6; in Class 5A, Greenville advanced with a 22-12 road win over Citronelle, while Charles Henderson was humbled at Faith 31-0 and Rehobeth lost at home to Jackson 29-7; in 6A, Dothan lost at home to Spanish Fort 28-21 and Eufaula clobbered Blount 35-6; and in Class 7A, Enterprise lost on the road to McGill-Toolen 35-10.

\*\*\* *Ye Ole Polish Prognosticator* was still in a bad mood following the Alabama loss to LSU when he dropped by over the weekend. So, I hated to mention the fact that he hit on only 18 of his 27 picks last week in the opening round of the playoffs. The local guesspert did admit it wasn't his best week, but reminded me his season totals stand at 287-69, and then threw this week's picks at me. Anyway, here is this week's fearless forecast....

#### ELBA VS. LANETT

The Pea River felines will hitch hike over near the state line this weekend for a second round match-up with a litter of kitties that have their sites set on winning their second state title in the last three years. The felines will have to have their claws up and be ready for a four quarter fight if they hope to bring home a win, but the guess here is that this time next week the basketballs will be bouncing at the Elba High gym.

#### BRANTLEY VS. NOTASULGA

The bulldogs from up above the river will stay at the pound this week looking to continue their trek toward a state title. The dogs have been barking really loud for the past couple of weeks and will be climbing the fences when a group of scary looking fellows come into town Friday night. ## Tigers pound Panthers 21-8

By Ricky Mularz, Sports Editor

The Elba Tigers combined a big play offense with an aggressive defense Friday night to battle past the Marengo Panthers 21-8, in the opening round of the Class 1A playoffs, at Tiger Stadium.

The Elba defense was pushed into a corner on its end of the field early in the game after a shanked one-yard punt handed the ball over to Marengo in Tiger territory. The Panthers quickly reached a first down at the Elba 19-yardline, but the Tiger's Dezmon Roberson pushed the Panthers back 11 yards with big hits on two straight plays, and when a fourth down pass missed its target the Tigers had survived the early scare.

Elba failed to score after reaching the Marengo 26-yardline on its ensuing possession, but marched 50 yards in eight running plays on its third series of the night to reach the endzone. Iverson Lane rushed for 29 yards on five carries to lead the Tigers down the field, while Collin Harrison added 13 yards on two carries and scored the touchdown on an 11-yard dash around the left end. Lane added the extra-point, and with 8:20 left in the second quarter the Tigers were on top 7-0.

Marengo began its ensuing possession at its own 27-yardline and covered the 73 yards to the endzone in eight plays to grab the lead. A 31-yard pass from KeShawn Fountain to Dominique Harris was a key play in the long scoring drive, while the score came on an 8-yard run by Harris. Wellington Morrisette ran in the two-point conversion and with 4:22 left in the quarter the Panthers had taken an 8-7 lead.

Elba got the ball back at its own 25-yardline after the ensuing kickoff and went 75 yards in only four plays to regain the lead. A 16-yard pass from Jaquez Prince to Byron Burks on third down and eight kept the drive alive early, while the Tiger touchdown came on a 57-yard burst up the middle of the field by Collin Harrison. Lane kicked the extra-point as Elba regained the lead at 14-8 with 2:47 remaining in the half.

The Elba defense was called upon to protect the lead early in the third quarter after a pass interception handed the ball to Marengo at the Elba 11-yardline, and once again the Tiger defense was up to the task! Elba's Dezmon Roberson and Brandon Epps both had tackles for losses to stall the scoring threat, and on fourth down back at the 17-yardline the threat went by the board after an incomplete pass in the back of the endzone.

The Tigers gave the ball

Elba Tiger Iverson Lane (3) cuts behind the block of Tiger teammate Omarion Terry (52) and finds room to run in last week's 21-8 playoff win over Marengo. The Tigers will oppose Lanett Friday night in second round action.

right back to Marengo at the Elba 37-yardline on its ensuing possession after an unsuccessful fake punt attempt, and the Panthers quickly moved to a first down at the Elba 24-yardline. The Panthers got as close as the Elba 21, but on fourth down the Tigers Chrystyle Caldwell and Omarion Terry combined to sack the Panther quarterback and caused a fumble that was recovered by Jaquez Prince.

Elba began a possession at the Marengo 45-yardline midway through the fourth quarter after a Panther punt, and was finally able to get some breathing room as the Tigers went 55 yards in three plays to extend their lead. The touchdown came when Jaquez Prince heaved the ball deep down the middle to avoid a heavy pass rush, and the pass sailed over the hands of a waiting Panther defender and into the hands of Tiger receiver Chrystyle Caldwell, who pulled in the pass and trotted into the endzone to complete to 52-yard pass for a score. Iverson Lane tacked on the extra-point, and with 5:14 left on the clock Elba's lead was up to 21-8.

Marengo put the ball in play at its own 26-yardline with 5:14 left in the contest, and while the Panthers kept the ball for over four and one-half minutes, they went backwards one yard after six penalties, and the Tigers ran out the clock after regaining possession to ice the hard fought 21-8 playoff win.

Collin Harrison rushed for 132 yards and 2 touchdowns on 17 carries to lead Elba, while Iverson Lane added 39 yards on eight carries and Jaquez Prince completed 4 of 8 passes for 86 yards and one td.

Deldrick Boulter rushed for 51 yards on 17 carries to lead Marengo.

## New Brockton falls in playoff opener 27-7

Statistics by Speedy White  
Staff Photos

The New Brockton Gamecocks saw their late-season surge come to an end Friday night in the opening round of the Class 2A football playoffs with a 27-7 loss to the LaFayette Bulldogs, in LaFayette.

New Brockton kicked off to open the game, but needed only 12-seconds to get on the scoreboard as the Bulldogs fumbled the ball into their own endzone on their first series and the Gamecocks Brandon McCoy recovered for a touchdown. McCoy also added the extra-point, and with 11:48 still left on the clock in the first quarter New Brockton was on top 7-0.

LaFayette began its ensuing possession at its own 23-yardline and went 77 yards in seven plays to get on the scoreboard. A 48-yard run by Jordan Walker got the scoring drive off to a fast start, while Keandrae Peterson scored the touchdown on a 10-yard dash. The extra-point try failed, but with 8:15 left in the quarter the Gamecocks lead had been cut to 7-6.

New Brockton's Kyan Horne rushed for 26 yards on seven carries on the Gamecocks next possession that stalled at the LaFayette 31-yardline, and on their next offensive series Horne rushed for 32 yards on five carries and Kaden Cupp completed a 21-yard pass to Russell Weeks to lead Brockton to the Bulldog 29. The Gamecocks could get no closer than the 25; however, and again saw a scoring opportunity fail to produce points.

LaFayette went 66 yards in only five plays following the defensive stand to extend its lead. Jordan Walker rushed for 28 yards on two carries to help lead the Bulldogs down the field, while the score came on an 18-yard touchdown toss from

Walker to Ja'Mariae Daniel. Walker ran in the two-point conversion, as the Bulldogs grabbed their first lead at 14-7 with 7:06 left in the half.

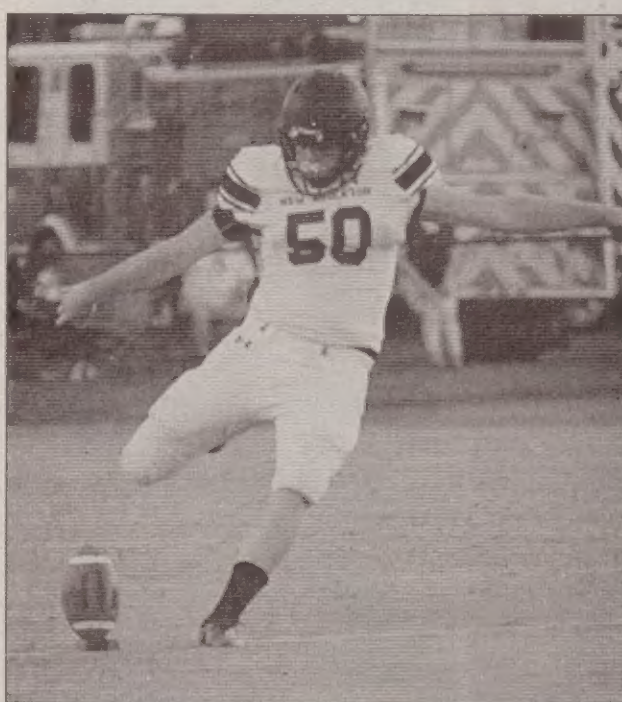

LaFayette recovered an on-sides kick to open the second half and promptly went 40 yards in eight plays to add to its lead. Jordan Walker capped the short scoring drive with a 4-yard touchdown run, and Christopher Robertson kicked the extra point as LaFayette's lead went to 21-7 with 7:44 left in the third quarter.

New Brockton's Colton Marsh returned the ensuing kickoff 24 yards to set the Gamecocks up at the LaFayette 34-yardline, but Brockton again was unable to cash in a scoring opportunity and turned the ball over on downs.

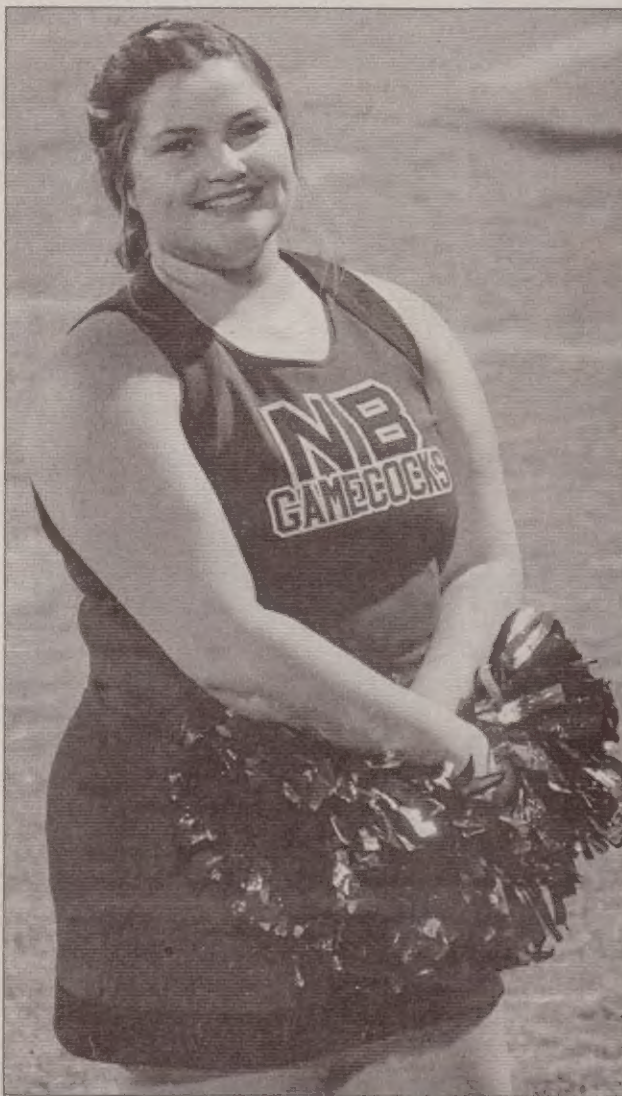

LaFayette came up with a turnover late in the quarter with a pass interception at the New Brockton 25-yardline, and covered the distance in five plays to pad its lead. Jordan Walker scored his second touchdown of the night on a 4-yard run, and while the extra point try was blocked by the Gamecocks Brandon McCoy, the Bulldogs were in control with a 27-7 lead with 11:27 remaining in the fourth quarter.

New Brockton threatened again on its final possession of the game and crossed midfield as Kyan Horne rushed for 48 yards on four carries. However, the drive again ended on fourth down as LaFayette claimed the 27-7 win.

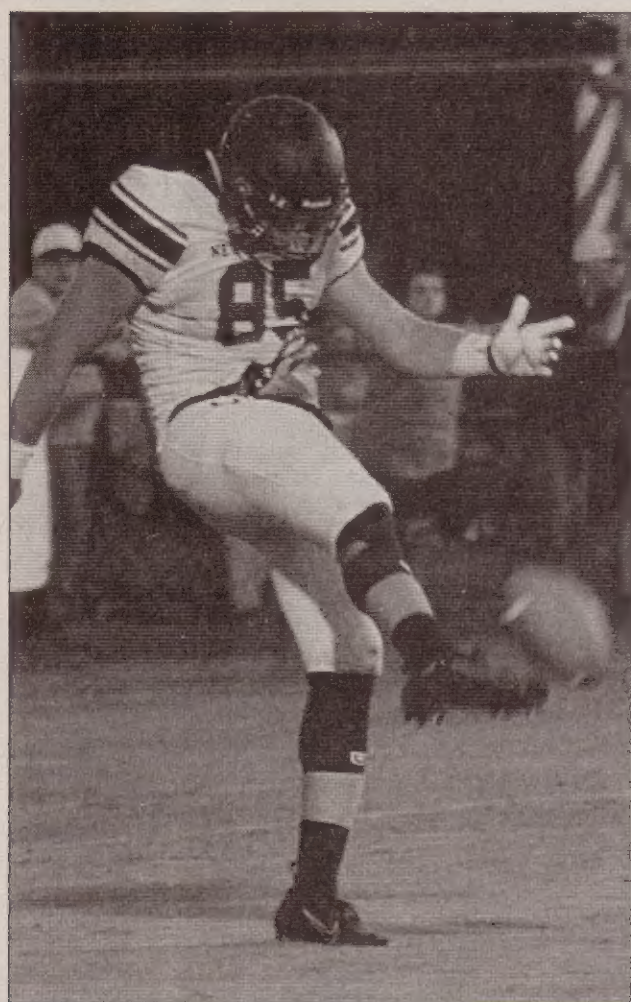

Kyan Horne rushed for 139 yards on 23 carries to lead New Brockton, while Kaden Cupp completed 4 of 20 passes for 31 yards. Ethan Stinson had 8 tackles to lead the Gamecock defense, while Brandon McCoy added 5 tackles, a fumble recovery for a touchdown and a sack, and Josh Cardwell also had 5 stops.

The Zion Chapel Rebels made their much anticipated return to the high school football playoffs Friday night and found the going a little too tough as they were defeated by the highly-touted Reeltown Rebels 56-0, in Reeltown.

Reeltown scored 28 points in both the first and second quarters to carry a 56-0 lead in at the half, and neither team could find the endzone in the second half that was shortened to four minute quarters due to the lopsided score.

Reeltown jumped out to an early 7-0 lead with 11:40 remaining in the first quarter on an 11-yard run by Cameron Faison and an extra point by Connor Moore, and then upped its lead to 14-0 with 10:53 remaining when Faison tossed a 26-yard td strike to Eric Shaw, and Moore again added the extra point.

Trakevon Hughley scored on a 15-yard sprint with 5:44 left in the quarter and Faison added a score on a 14-yard run with 2:29 left, and Moore added the extra point after both scores as Reeltown carried a 28-0 lead into the second quarter.

Faison continued to run free in the second quarter as he scored on a 65-yard scamper with 11:26 left in the period, while Jay Quavious Corbitt got in on the act with 10:07 left with a 33-yard dash. Logan Hunt scored on a 13-yard run with 43-seconds remaining in the half, while Reeltown's final touchdown came with 30-seconds still on the clock when Sedarico Brooks picked up a Rebel fumble on the ensuing kickoff and returned it 25 yards for a score. Moore added the extra point after all four second quarter scores as Reeltown advanced with the 56-0 win.

Brockston Bragg rushed for 49 yards on 10 carries and Joey McCrory added 21 yards rushing on six carries, while Austin Johns completed 3 of 9 passes for 24 yards as the Rebels rolled up 95 yards in total offense.

Cameron Faison rushed for 102 yards and 3 touchdowns on five carries and completed 2 of 4 passes for 40 yards and one td to lead Reeltown, while Trakevon Hughley added 62 yards and one td on four carries.

The Brantley Bulldogs opened the 1A football playoffs with a bang Friday night as they exploded for 40 points in the first quarter to take command and rolled to a whopping 72-32 win over the Fruitdale Pirates, in Brantley.

Brantley received the opening kickoff and promptly went 64 yards in five plays to light up the scoreboard. The Bulldog score came on a 32-yard touchdown toss from Tucker Kilcrease to Morrell Edwards, and Adam Carlisle added the extra point as Brantley went on top 7-0 with 10:42 left in the opening quarter.

Brantley regained possession at its own 40-yardline after a Fruitdale punt and this time needed only one play to go the distance, as on first down Kilcrease connected with Kenuwyn Dixon on a 60-yard td toss. The extra point try failed, but with 9:14 remaining in the quarter the Bulldogs were already on top 13-0.

Fruitdale showed signs of life on its ensuing possession as the Pirates went 64 yards in only three plays to get on the scoreboard. The Pirate touchdown came on a 57-yard pass from Dalon Hill to Antonio Johnston, and while the extra point try failed, Brantley's lead had been cut to 13-6 with 7:50 left in the quarter.

Brantley put the ball in play at its own 31-yardline to begin its next possession, and the Bulldogs continued to race up and down the field as this time it took only two plays to cover the 69 yards to the endzone. ## CDC recommends persons to stop using vaping products containing THC

As the investigation continues into a national outbreak of lung disease associated with e-cigarettes and vaping products, the Centers for Disease Control and Prevention (CDC) recommends that persons stop using products containing tetrahydrocannabinol (THC).

Based on data collected as of October 15, 86 percent of patients experiencing symptoms of the lung disease used THC-containing products in the three months preceding illness. While not legal in Alabama, THC-containing vaping products can be obtained from informal or illicit sources and are being frequently used in Alabama, especially by teens and young adults.

Alabama healthcare providers have reported 9 cases of lung disease associated with e-cigarette product use, or vaping as of October 30. The 9 cases, 5 confirmed and 4 probable, are included in the national counts for the CDC.

Patients have experienced symptoms that include cough, shortness of breath and fatigue, with symptoms growing worse over a period of days or weeks before admission to the hospital. Other symptoms may include fever, chest pain, nausea, abdominal pain and diarrhea. Most of the cases are among adolescents and young adults.

The Alabama Department of Public Health (ADPH) recommends all consumers of non-regulated vape products voluntarily stop using them until the national and state

investigations into vaping-related deaths and illnesses are complete. ADPH has requested that healthcare providers report any cases of suspected serious respiratory illness they treat among patients who use electronic cigarettes or other vaping devices through the Report

Card located on the ADPH website.

Alabama law prohibits the sale or transfer of vaping products or electronic nicotine delivery devices to minors. Other states have reported that counterfeit e-cigarettes are of special concern and some states have moved to

temporarily ban the sale of vaping products.

Free help is available for Alabama residents who are ready to stop using e-cigarettes or vaping products as well as traditional tobacco. The Alabama Tobacco Quitline number is 1-800-QUIT-NOW

(1-800-784-8669) or residents may visit [quitnowalabama.com](http://quitnowalabama.com) for help.

The Quitline provides individualized coaching to help any type of smoker or tobacco user, including e-cigarettes and vape, to quit. For additional information on electronic

cigarettes and their health effects, visit [www.cdc.gov/tobacco/basic\\_information/e-cigarettes/index.htm](http://www.cdc.gov/tobacco/basic_information/e-cigarettes/index.htm). THE ELBA SCRIPT CENTERED MACK WOOD FIELD AT TIGER STADIUM last Friday night, Nov. 8, for the first round of the Alabama High School Football Playoffs. The Elba Tigers hosted Marengo in this game and advanced to a second round matchup this week with Lanett in Lanett, Ala. The artwork to prepare the field for the playoff game was done by Coach James "Al" Gilmore, and many fans were excited to see the old Elba script be center field. On Friday afternoon, Drew Mack accompanied Elba Clipper editor Linda Hodge to the school and was able to fly his drone above the field to capture this aerial shot of the field and stadium.
